Office Resource

Five years, a year, a month, a day, even an hour... ComCenter can custom design a package for your business.

Traditional leases require one to five year commitments. And though we encourage our clients to stay with us for a long period of time, sometimes a short-term office is needed instead. Just because your business needs temporary space doesn't mean you have to work out of a closet or second-class facility.

High Style Low Overhead

Full-time rents start at \$650 per month for a single office. Every office has a window. Rents include:

- 24/7/365 access
- Furnished or unfurnished offices
- Furnished reception areas and conference rooms
- Full-time receptionist to greet your guests
- Day-time telesecretaries to answer your calls
- Copy/fax/scan center
- Personal mail service
- Complimentary coffee and refreshment center
- No additional charge for parking, electricity, real estate taxes, pest control, and janitorial services.

Conference Rooms

Conference Rooms

Each ComCenter location has a variety of fully furnished conference rooms that are available for rental by the hour or day. Some private meetings are best held in an executive day office. Some are more comfortable in a small meeting for 4 to 6 parties. When a larger meeting of 10 or 12 is required, ComCenter offers executive board rooms.

The Florida Room at Lakewood Ranch is a state-of-the-art high-tech presentation room fully equipped to host your next educational seminar, presentation, or other group meeting, that can seat 24 people in a professional and private, yet spacious atmosphere.

Video Conferencing

While it is always good to meet your clients in person, you can save time, travel, and money with ComCenter's high
